IF YOU GET UNEXPECTEDLY DELAYED DUE TO UNFORESEEN TRAFFIC PROBLEMS, please call Laura Kehrt (meet director) at 859-539-7075. **This is an emergency number only.**

Directions: From I-75, take Newton Pike (922) north for 2.7 miles. Turn left at the flashing yellow light onto Ironworks Pike (1973) and go .8 of a mile. Spindletop Hall will be on the left. At the Clubhouse, veer right and you will see the pool on your left.

Parking: Parking will be available in the field near the pool area. Parking is \$4/day or \$10 for a 3-day pass.

Heat Sheets and T-Shirts: Heat Sheets (listing the heat and lane number of each swimmer) will be sold for \$6. This includes both Monday and Tuesday's session. T-shirts will be available for \$12.

Admittance: There is NO CHARGE for entry into the facility. The family pool is CLOSED for everyone except those members of Spindletop Hall.

Concessions: A variety of food and drinks will be offered at the Barn, Food Trailers, and Tiki Bar. (see MENU on next page.) You are welcome to bring food and drinks of your choice. NO GLASS CONTAINERS WILL BE ALLOWED IN THE POOL AREA. Glass containers are discouraged in the team tent areas also. Water coolers will also be available throughout the concourse.

Team Areas: Tent locations have been assigned and are posted on the CKSC website. There will be a posting of locations at the basketball courts if you are not sure where you are located. You can find this information at the CKSC website (www.cksc.us). Swimmers usually bring sleeping bags to rest on and play quiet games. Parents need to bring their own lawn chairs. Young swimmers need help listening for their events and getting to the Clerk of Course. A wagon is nice to bring all your belongings to the tent. It beats 10 trips to the car. Spindletop has ice for \$2/bag and will rent 8' tables for \$10/day.

Weather: Conference Championships cannot be postponed due to weather! If it is rainy, the meet will go on. If there is a storm, the meet will be delayed. Please DO NOT LEAVE THE AREA. If 'severe' weather threatens, we will have access to the barn and lower level of the main house. Teams will be assigned shelter locations. **The meet will NOT BE CANCELLED.** Your coach will inform you of the emergency action plan in the event of severe weather.

Rest Rooms: Restrooms are available in the bath houses located between the Tiki Bar and Clerk of Course. The Clubhouse is NOT AVAILABLE for our use as it will remain open for Spindletop members.

Please respect the property of Spindletop. We are their guests. Let's be a class act and leave our area tidy each day. We are very fortunate to have such a fine facility made available to us!!!
